FOR IMMEDIATE RELEASE

Tuesday, January 23rd, 2018

After extensive work with Student Health Services and an agreement from the Allegheny County Health Department, the Wellness Committee is excited to announce that free condom dispensers have officially been placed in both bathrooms on the third floor of the William Pitt Union. The committee has been working diligently for a few years on increasing student access to free contraceptives and hopes students take advantage of this new service.

On January 24th, the University Master Planning Committee will host an open meeting to discuss the physical planning of Pitt's campus. This meeting will take place in the University Club, Ballroom A and lunch will be provided. All students interested in what Pitt's campus will look like for the next 10-20 years are encouraged to attend and offer input and feedback.

The Spring Safety Fair will take place on January 30th in the WPU Assembly Room from 11AM-2PM. Tables from several organizations will be present, including the Pitt Police. The event will be a great way for people to continue to expand their education about safety on campus and learn new tips. Food will be served and a raffle for two pairs of Apple Air pods will be taking place.

On Sunday, February 4th from 2:00PM to 3:30PM TedX will host its first ever salon in Dining Room B on the first floor of the William Pitt Union. This conversation-filled event will kick-off this year's highly anticipated TedX conference hosted in late March by the University of Pittsburgh.

Applications to be a part of the Women's Empowerment Week Planning Committee are now available online and can be accessed through a link to be shared on SGB's Facebook page. Additionally, applications for this year's Pitt Women's Leadership Experience (PWLE) will be live shortly.
