FOR IMMEDIATE RELEASE:

March 1st, 2021

To the Pitt community:

On Sunday, February 28th, the Elections Committee received an allegation of an infraction regarding the distribution of shot glasses by the Vision Slate in a predominantly first-year residence hall. This alleged action was in direct violation of the approved distribution plan and Student Code of Conduct.

After careful review and consideration of the allegation and relevant evidence, the Elections Committee has found the Vision slate **guilty** of the alleged actions.

After further deliberation of the alleged action against the Vision slate, the Elections Committee affirms the decision to **disqualify** the Vision slate making them ineligible to serve on the Student Government Board elected office in the upcoming term. The Elections Committee aims to uphold the morals of the University of Pittsburgh and strives for a fair and free student election.

The Student Government Board Elections Committee does not approve nor condone the distribution of alcohol paraphernalia to underage students or on-campus property, underage drinking, binge-drinking, or any violation of the Student Code of Conduct.
